A diagram showing a mapping from a module method to a specific function. It consists of two rectangular boxes connected by a horizontal arrow pointing from left to right. The left box has a light gray background and contains the text 'compnal::sparse_matrix' on the top line and '::LapackDstev' on the bottom line. The right box has a white background and contains the text 'compnal::sparse_matrix' on the top line and '::dstev_' on the bottom line. The arrow is dark blue and points from the right side of the left box to the left side of the right box.
