

BaseClass

```
classDiagram
    class BaseClass
    class GeneralModel["compnal::model::GeneralModel"]
    GeneralModel --|> BaseClass
```

The diagram illustrates a class hierarchy. At the top is a white rectangular box labeled 'BaseClass'. Below it is a larger, gray rectangular box containing the text 'compnal::model::GeneralModel' on the first line and '< BaseClass >' on the second line. A solid blue arrow points vertically from the top edge of the gray box to the bottom edge of the 'BaseClass' box, indicating that 'GeneralModel' inherits from 'BaseClass'.
